

March 20, 1979

LB 59

SENATOR KOCH: Please state the question of Senator Chambers. Is there a provision in the bill which allows a child to continue school for sixty days prior to the time that they might possibly be asked to get the physical and immunization prior to reentry but the question is to the Senator, is there a sixty day provision in there for the child to be in school until he comply?

SENATOR MARSH: Senator Chambers.

SENATOR CHAMBERS: Madam President, if Senator Koch will turn to the second page of the white copy and look at the top it seems to say, such written statements shall be kept in the students file. Any student who does not comply with this section shall not be permitted to continue in school until he or she shall comply and that is why I said it seems to me that until compliance occurs, the child cannot go to school and I don't see the sixty day provision. Maybe... Oh, it's there? Okay.

SENATOR MARSH: We are now ready and will vote on Senator Chambers' motion. All those in favor vote green, opposed vote red. Senator Marsh voting aye.

CLERK: Senator Marsh voting aye.

SENATOR MARSH: Have you all voted? Have you all voted? Last call. The Clerk will record.

CLERK: 8 ayes, 12 nays, Madam President.

SENATOR MARSH: Motion lost. We have several distinguished visitors in our chamber, Mr. Alfred Bonello from Malta and his escort officer, George Payne. Would you please stand and be recognized in the North balcony. I also would like to introduce three visitors, Mr. Kuruppu who is Deputy Director of the External Resources Department from Sri Lanka; Mr. Mastabula from Mbabane, Swaziland; and Mr. Toure who is Coordinator of Industrial Products from Mauritania who are escorted by William Fager, Escort Officer. Would you please stand and be recognized? Thank you very much for coming to visit our Legislature. Senator Chambers, do you have another motion? Senator Venditte.

SENATOR VENDITTE: Mr. President, members of the Legislature, the effort that I am trying to make at this point in time is an effort that the Legislature has already voted down twice and I know that all the rural delegation is looking at me
